

TECHNICAL JOBS AVAILABLE

Project Manager

- Degree or Diploma in Mechanical Engineering
Min 3yrs exp in Project Management
Perm post
Contact Felicity Schoombee (011) 616-6955 or e-mail felicity@mepersonnel.co.za

Senior Project Engineers & Project Managers

- Opportunity for Mechanical/Civil/Electrical Project Engineers with at least 5 years project experience gained in mineral process, heavy industrial plant, petrochemical and mining. PR Eng. Registration and/or GCC will be an advantage but not essential.

Contact Serita Smith 011-616 6955 or
serita@mepersonnel.co.za

Senior Process Engineers and Process Managers

- Candidates must have 4 – 15 yrs experience in preferably base metal concentration, flotation, diamonds and base metals.

Contact Serita Smith 011-616 6955 or
serita@mepersonnel.co.za

Contracts Administrators

- Contracts Administrators Quantity Surveying degree and LLB degree ideal. Project and/or mining experience a must. Experience in FIDIC and commercial contracts.

Contact Serita Smith 011-616 6955 or
serita@mepersonnel.co.za

Planners (Project) /Estimators

- Previous project planning / cost estimating a must. At least 5 – 10 year's work experience. Experience in the petrochemical, mineral process and mining fields would be an added advantage.

Contact Serita Smith 011-616 6955 or
serita@mepersonnel.co.za

Package Manager (Shaft Sinking)

- Senior candidate from the mining industry (8 years underground). Experience in project & contract management, planning, scope of works, construction progress, quality and safety combined with overall project integration. Degree/Diploma combined with GCC and PMP.

Contact Janette Jones 011-616 6955 or janettej@worldonline.co.za

Principal Mining Engineer

- Highly skilled Engineer with mining background required by leading consulting firm. Strong design experience with specific exposure to above-ground pump stations. GCC and PR.Eng/Tech Eng.

Contact Felicity Schoombee 011-616 6955 or felicity@mepersonnel.co.za

Civil and Structural Draughtsman

- 3D experience - pref Revit Structural Heavy Industrial and Mining Structures

Contact Felicity Schoombee on 011-6166955 or e-mail felicity@mepersonnel.co.za

Structural/ Mechanical Draughtsman Senior

- 10 years experience
Underground mining experience essential
AutoCAD

Contact Felicity Schoombee on 011-6166955 or e-mail felicity@mepersonnel.co.za

Piping/ Mechanical Draughtsman Senior

- 10 years experience.

Plant experience essential

3D Piping/ Mechanical Draughting

Inventor, AutoCAD

Contact Felicity Schoombee on 011-6166955 or e-mail felicity@mepersonnel.co.za

PLANT ELECTRICIAN TEMP ASSIGNMENT

- **MUST HAVE:** Trade Test Certificate
Minimum of 5 years experience in Manufacturing
Minimum of 2 years P L C experience
Excellent FAULT FINDING and AC/DC equipment fault finding

Call: Karen Reis 011 616 -6955 or e-mail: karenr@tiscali.co.za

Project Engineers x 2

- Mechanical or Civil qualification, PR Eng and 10+ yrs EPCM Experience. Must have multi disciplinary experience and a background of Project co-ordination. Background in Mining.\

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Project Managers/Project Engineers

- 5-10+ years senior project management and engineering experience in the following fields: Mineral Process/Heavy Industrial plant/ Petrochemical/Mining (coal) bulk materials handling. Pr eng/Pr Tech preferable, with PMP and GCC again preferable but not vital. All posts require project management, technical competency and strong leadership qualities in an epcm environment.

Contact Serita Smith at serita@mepersonnel.co.za or 011-6166955

Project Planners and Cost Engineers

- Qualified and skilled candidates with 5-10 years experience in the project fields of petrochemical, mineral process and mining

Contact Serita Smith at serita@mepersonnel.co.za or 011-6166955

Discipline Engineers

- All categories of highly skilled and experienced Engineers/Lead Engineers required. Civil/Structural; Mechanical; Mining; Process and Senior Process. Fields include hard rock mining, Coal, Process plants, Diamonds and base metal concentration.

Contact Zane Findlay zane@mepersonnel.co.za/ Janette Jones janettej@worldonline.co.za or 0116166955

Site Agent

- Btech/Bsc Construction Management, Experience in building/housing essential, Some Civils advantageous, CCS Programming experience. Must be able to travel around SA. 10 Years Construction experience on site.

Contact Sue Ashford on (011) 616-6955 or sue@mepersonnel.co.za

Design Draughtsmen- All Disciplines

- Civil/structural/mechanical designers required by various project houses. Skilled candidates with a minimum 5+ years post qualification experience in the mining project related environment.

Contact Janette Jones on (011) 6166955 or janettej@worldonline.co.za

Project Managers/Project Principles

- High profile project engineering consultancy requires highly skilled individuals to head project teams. 10/15 years experience in the mining industry combined with PMP/PMBOK qualification

Contact Janette Jones on (011) 6166955 or janettej@worldonline.co.za

Geotechnical Engineer

- Bsc Eng/ BEng (Mining/Geology) with GDE in Rock engineering, Safety Knowledge, 10+ Yrs experience in Mine Rock Engineering. Membership to SANIRE, Professional Reg or eligibility.

Contact Felicity Schoombee on (011) 616-6955 or felicity@mepersonnel.co.za

Mining Engineer

- BSc Eng/BEng/Btech or NHD (Mining) with Mine managers certificate. Professional registration or eligibility, 10 years in Mining with coal experience.

Contact Felicity Schoombee on (011) 616-6955 or felicity@mepersonnel.co.za

Civil Engineer

- BSC/Pr Tech Eng/ Btech (Civils), Professional registration or eligibility, Safety knowledge. 5-10 yrs experience in civil engineering and Good experience of civil methods and project management.

Contact Serita Smith on (011) 616-6955 or serita@mepersonnel.co.za

Senior Service technician (Middleburg)

- Trade test certificate, NTC3, Red Ticket, Flame proof certificate, computer literacy, Drivers License. 5+ Years underground experience and 5 + years as a service engineer.

Contact Elize du Toit on (013) 282-4677 or tech@holham.co.za

Junior Dragline Specialist (Middleburg)

- Bachelors Degree in Mechanical Engineering, Red Ticket required. 2 years surface mining/equipment experience. Surface mining methods and experience working on draglines, Maintenance, fault finding and repair in all aspects of products, self motivation and a sense of commitment is required. Advanced knowledge of MS office required.

Contact Elize du Toit on (013) 282-4677 or tech@holham.co.za

Project superintendant (Middleburg)

- BSc Eng/ B. Tech or equivalent Mechanical Engineering qualification. Experience in project management, 10+ years experience with Site management of Heavy equipment maintenance projects of which at least 5 in a management position. Knowledge, experience and understanding of opencast mining or earthmoving equipment.

Contact Elize du Toit on (013) 282-4677 or tech@holham.co.za

Underground Room & Pillar technical sales (middleburg)

- Technical qualification (T3 minimum), Financial fundamentals, business fundamentals, basic shipping fundamentals/knowledge of tariffs. R&P mining methods, Strategic planning, Sound knowledge of SABS codes of practice and regulations for equipment used in fiery mines. Knowledge of mining methods (minimum 5 years).

Contact Elize du Toit on (013) 282-4677 or tech@holham.co.za

Mechanical/ Structural Engineer

- Bsc Mech, Struc or Btech. 3-5 yrs exp minimum. Basic R580000. C/A R115000 P/A, Benefits R112200 P/A.

Contact Zane Findlay on (011) 616-6955 or zane@mepersonnel.co.za

Project Manager

- Btech/BSc (Eng), Professional registration and GCC advantageous. Must be from a mining environment with a minimum 5+ years Project Management experience

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Lead/Project Engineer

- Btech/BSc (Eng), Professional registration and GCC advantageous. Must be from a mining Environment with 8+ Years experience in engineering, Project Engineering, Project Management and or General management of which 4+years should be in a project environment and 4+years in a technical/Engineering environment.

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Mining Consultant (Coal/ Hardrock)

- Must have either BSC Eng(Mining), BEng (Mining), Btech (Mining) or NHD (Mining). Mine Managers certificate and Professional registration advantageous. 10+ years experience in mining Engineering. PM experience in coal or hardrock mining.

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Mining Engineer

- Must have either BSC Eng(Mining), BEng (Mining), Btech (Mining) or NHD (Mining). Mine Managers certificate and Professional registration advantageous. 5+ years experience in mining Engineering. Good understanding of mining, methods, geology, survey, ventilation and rock engineering. Project management experience in mining.

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Mechanical Engineer

- Bsc Eng (Mechanical) Or Btech (Mechanical). 5+years in mechanical engineering. Professional registration and GCC advantageous. Good understanding of mechanical methods and project management.

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Civil Engineer

- Either BSc Eng (Civil), Pr Tech Eng (Civil) or Btech (Civil). Professional Registration or eligibility advantageous. 5-10 years experience in civil engineering, good understanding of civil methods and project management.

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Electrical and Instrumentation Engineer

- Either Bsc Eng (electrical), Pr Tech Eng (Electrical) or Btech (Electrical). Professional registration and gcc advantageous. 5+ years experience in electrical engineering. Good understanding of electrical methods and project management

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Procurement Officer

- Matric, Qualification in buying or procurement advantageous, Knowledge of Fidic and/or NEC essential. 5+ years experience in procurement within the mining and engineering sector.

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Construction Manager

- Mine Managers certificate essential. 10+ years experience in Mining/ Construction management

Contact Serita Smith on 011-6166955 or serita@mepersonnel.co.za

Plant Maintenance Engineer (Tanzania)

- Bachelors Degree in Mechanical or Electrical Engineering or suitable tertiary qualification (GCC). Minimum 7 years experience in the metallurgical Plant and 3 year experience in a managerial position.

Contact Zane Findlay 011-6166955 or email zane@mepersonnel.co.za

Electrician

- Trade tested electrician with 10+ yrs underground (mining) experience. Section 13 essential

Call Sue Ashford on (011)616-6955 or email sue@mepersonnel.co.za

Lead C+I Engineer

- BEng/ Btech. Registered PrEng/Tech Eng. 5+ years C+I Lead design experience in mining/metallurgy/Industrial environment.

Call Sue Ashford on (011)616-6955 or email sue@mepersonnel.co.za

Lead Electrical Engineer

- BEng/Btech. Registered PrEng/TechEng. 5+years Electrical Lead design exp in mining/metallurgy/industrial environment.

Call Sue Ashford on (011)616-6955 or email sue@mepersonnel.co.za

Construction Manager

- Relevant Qualification. Strong piping background on industrial/Petrochem projects.

Call Sue Ashford on (011)616-6955 or email sue@mepersonnel.co.za

Process Engineers

- Bsc Eng/Btech Eng 8+ years working experience with Ops exposure in Pyro/Hydro metallurgy, Gold + Uranium. Metsim Package or similar. MS Office

Call Sue Ashford on (011)616-6955 or email sue@mepersonnel.co.za

Mine Geologist: Mozambique

- 5+years experience, relevant degree, rotation 3-1. Accommodation, meals and flights paid for. Salary paid in US dollars Negotiable.

Call Zane Findlay on (011)616-6955 or email zane@mepersonnel.co.za

Draughtsman/Snr/Section Leaders/Checkers

- All Disciplines; Mechanical, Structural, Civils, Piping, Electrical/ Instrumentation. Requirements- Autocad 2D/3D, Inventor, Solid Edge, Microstation, 5 + Years experience Medium to long term contracts available.

Call Matt Dauberman on (011)616-6955 or email matt@mepersonnel.co.za

Civil Engineer: Head Office – might be required to travel to site:

- Ideally looking for someone with a strong background in both civil (concrete) and structural steel work design for heavy to medium industrial and/or mining structures. To perform calculations and conduct evaluations on existing damages, repairs/replacements. A graduate with a BSc Eng or BTech Eng, preferably registered Pr Eng or Pr Tech Eng.3-5 years applicable EPCM industry experience, industrial and mining experience essential.

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Drawing Office Assistant: Head Office:

- Candidate must have solid experience in MS Office. Minimum 5 years experience in dealing with scheduling and tracking, stick files and PDF files and drawing registers. Should be able to take minutes and assist with putting together of documents as well as following up with Engineers and Drawing Office staff in order to receive and catalogue documents timorously.

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Lead Mechanical Engineer:

- Degree / Higher National Diploma. Registered Engineer with minimum 15 years experience within the mining and metal sectors. Must have a strong background in process plants. Leadership experience of 10+ staff members essential as this is a departmental lead role. Should have solid project exposure on EPCM projects. Experience in both implementation projects and studies and management of workflow in both instances.

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Mechanical Engineer:

- Degree / Higher National Diploma. Registered Engineer with 10 years experience in mining and metal sectors. Must have experience in dealing with projects over R400 Million within the EPCM environment / process plants.

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Senior Mechanical Engineer: Head Office – required to travel to site:

- Degree / Higher National Diploma. Registered Engineer with 10 years experience in mining and metal sectors. Must have experience in dealing with projects over R400 Million within the EPCM environment / process plants. Candidate must also have solid experience in materials handling and conveying equipment.

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Civil Structural Engineer: Madagascar:

- Solid background in engineering services management. Minimum 5 years plant experience.

Contact Sue Ashford on 011-6166955 or email sue@mepersonnel.co.za

Engineering Manager

- Degree essential. 10+yrs exp in major project design of mineral process plants etc. Pr Eng desirable, 3+ years management of design engineering teams working on major projects

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za

Senior Quality lead Auditor

- 7+yrs exp in EPCM in similar role, certified ISO 9001 Lead Auditor, qualified in quality/engineering discipline.

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za

Estimator

- 5 years applicable experience on large projects in EPCM environment, Engineering degree essential, knowledge of OOM/ Pre-feasibility/feasibility estimates

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za

Cost Engineers

- Degree/Diploma in Engineering or QS, 5+Years experience on large multi disciplinary projects in EPCM environment

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za

Geotechnical lead

- Degree in Engineering, 15+years experience, design background, PR Eng/Tech Eng essential

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za

Water Purification + Sanitation lead

- Degree in engineering, 15+years experience, Design background, PR Eng/Tech Eng

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za

Junior Planner

- Matric, Supply chain management Qualification, experience in production environment, SAP knowledge, valid driver's license

Contact Sue Ashford on (011) 6166955 or email sue@mepersonnel.co.za
